

Swansway Gingerbread Enterprise Challenge!

Calling all kind-hearted entrepreneurs!

- We know you have brilliant business skills.
- We know you are full of inspirational ideas.
- And we know you know how to create true marketing magic.

But what we don't know, is if you would be willing to use your superb skills and entrepreneurial drive to support homeless families and vulnerable people in Stoke-on-Trent and the surrounding area.

If you would be willing to help local families in need, we will give you £50 cash to “seed fund” your brilliant fundraising idea. And then, we want you to use your business brilliance to turn that £50 into much, much more!

Interested? Then sign up to the Swansway Gingerbread Enterprise Challenge!

What you will get is great fun, great motivation and great team building. And importantly, you will be supporting the Stoke Gingerbread Centre (www.gingerbreadcentre.co.uk) and their work in the area with homeless families.

The Challenge will run between 1st September and 15th October, 2021.

To register your interest please email:

chris.belyavin@gingerbreadcentre.co.uk Places are limited.

Remember, homelessness doesn't discriminate. It can happen to anyone.
